EARLY HISTORY OF THE HOSPITAL

On 28th March, 1854, the Crimean War began. Soon afterwards the tidings of the victory of Alma were received with whispers of the appalling conditions under which the wounded were suffering, the lack of medical necessities, and of the breakdown of the commissariat. The letter of the great War Correspondent, Sir William Howard Russell, to *The Times* stirred the nation to anger and dismay, and a cry arose that the work of untrained male orderlies should be supplemented by the help of Nursing Sisters.

Lord Herbert, then Secretary of State for War, wrote to Miss Florence Nightingale asking her to undertake this great work. "There is but one person," he said "that I know of who would be capable of organising and superintending such a scheme. . . ."

Ten Sisters of Mercy were included in the "Angel Band," as Florence Nightingale and her Nurses were called.

How well the Sisters fulfilled the duties they were called upon to perform is clear in the following letter which Miss Nightingale sent to the Reverend Mother, who was forced to return to England, owing to ill-health, before the end of the war. "I do not presume to express praise or gratitude to you, Reverend Mother, because it would look as though I thought you had done this work, not unto God, but unto me. What you have done for the work no one can ever say. I do not presume to give you any other tribute than my tears. But I should be glad that the Bishop of Southwark and Dr. Manning (afterwards Cardinal Manning) should know that you were valued here as you deserve, and that the gratitude of the Army is yours."

In 1856 the Hospital of St. Elizabeth in Great Ormond Street was founded and placed under the charge of four Sisters of Mercy who had, shortly before, returned from the Crimea. Soon afterwards the Hospital became closely associated with the Sovereign and Military Order of St. John of Jerusalem (commonly called the Order of Malta), a member of which built the Convent and Chapel, and largely subscribed to the upkeep of the Hospital. As the result of this close association, the name of the Hospital was changed to the Hospital of St. John and St. Elizabeth. This interest the Order has maintained to the present day, several members serving on the Board of Management. In 1898 the Hospital was moved to St. John's Wood, the present buildings, which were erected at what was then the great cost of £56,000, being formally opened by the Lord Mayor, Sir Frederick Green, Bt., in 1900.

In the Jubilee Year—1897—Queen Victoria personally decorated four Sisters with the Royal Red Cross, and when Mother Stanislaus, R.R.C., one of the founders of the Hospital, died in 1913, the War Office sent a bearer party of the R.A.M.C. to escort her body from the Church to the Cemetery in order to mark the appreciation of the authorities of her work both during and after the Crimean War.

Report for the Year 1949.

My first duty to-day is, on behalf of the Board, to thank all who responded so readily to our appeal for help last year and to whose co-operation we largely owe the pleasure of being in a position to give a more encouraging financial report for the year 1949.

The outstanding event of the year was the visit, on 12th April, of Sir Reginald Whitty, C.B.E., the Public Trustee, who handed me a cheque of £10,000 from the estate of the late William Shepherd. This totally unexpected gift, coming at a time when our affairs looked very grave, has been an immense help and a great source of encouragement to us all and our gratitude to those who chose us to benefit from the Trust is unbounded. It emboldens us to make a further appeal to your goodwill and generosity, confident as we are that given your continued support we shall overcome all our difficulties.

A very special word of thanks is here due to the Lady Clare King and all the members of the Ladies' Association, who, as you will see below, have, as a result of their labours presented us during the year with the sum of £3,143 12s. 0d. This is really a wonderful achievement and speaks for itself of the drive and initiative of the members of the Association. The Board, whose gratitude is truly sincere, trusts that the success attending their efforts will inspire these ladies to continue their good work.

It is with deep regret that I have to record the deaths of Sir Crisp English, K.C.M.G., M.B., B.S., F.R.C.S., and Mr. J. F. O'Malley, F.R.C.S.

Sir Crisp English joined the Staff in 1908 and served the Hospital with great skill and devotion until his resignation in 1921 when as Consulting Surgeon his interest in the Hospital never flagged and he continued to render valuable service.

Mr. O'Malley was Surgeon in charge of the Department for Diseases of the Ear, Nose and Throat from 1920 until his retirement under the age limit in 1931, when in recognition of the admirable manner in which he had discharged his duties whilst a member of the Medical Staff he was appointed Consulting Surgeon to the Department.

The death of Dame Una Pope-Hennessy was yet another blow bringing grief to the members of the House Committee with whom she had worked for the good of the Hospital over a number of years.

Board of Management.

I have to report that Sir Cecil Dormer, K.C.M.G., M.V.O., who now resides in the country, has tendered his resignation as he finds it impossible to attend the meetings regularly. Sir Cecil Dormer, who also filled the post of Vice-Chairman during a difficult period

of the Hospital's history, rendered very valuable service and his resignation has been received with much regret.

Dr. Daniel T. Davies has been appointed as one of the representatives of the Medical Committee in the place of Dr. Radvers N. Ironside.

House Committee.

We are glad to welcome to the House Committee Wing Commander Grant-Ferris and Major O'Brien.

Nursing Staff.

It gives me much pleasure to report that our Nurses continue to do well in the State examinations. The results for the year are as follows :

Preliminary State Examination ; 16 entered, 14 passed.

Final State Examination ; 39 entered, 35 passed.

The honour of winning the John Lamb Prize first awards fell this year to Nurse O'Shea and Nurse Irving : Nurse M. P. Strachan and Nurse Sayers winning the second awards. I offer my congratulations to all these Nurses.

A great debt of gratitude is due to Matron, the Sister Tutors and the Ward Sisters who are responsible for the training of the Staff and who achieve this so admirably.

Preliminary Training School.

It is gratifying to know that we have been able to convert No. 34 Circus Road into a Preliminary Training School and have thus complied with the regulations of the General Nursing Council. Under the circumstances it was found unnecessary to retain No. 56 Grove End Road, and this house was closed in August.

We were very fortunate to obtain from the Brampton Trustees the use of No. 42 Circus Road, which adjoins the Convent, for the use of the Sisters who are coming in increasing numbers to do their training here.

Nurses' Working Hours.

I am very pleased to be able to report that Matron is making arrangements for the 96-hour fortnight to come into force on the 1st January, 1950.

The Appeals Committee.

I must take this opportunity of thanking the members of the Appeals Committee and their Chairman Mr. Cyril P. Grobel for spending so much of their valuable time in laying the foundations of an Appeals organisation which it is hoped in due course will bring in a steady income to the Hospital.

Knights of St. Columba.—Contributory Scheme.

The number of patients treated under the scheme was 46 of which 10 were contributors and 36 dependents. The total number

of days for which they were in Hospital was 1,051, whereas in 1948 the total number of days was 790. The amount received, £646 works out at an average of £4 6s. 0d. per week per patient, compared with £2 4s. 4d.

Since the inauguration of the scheme in October, 1929, till 31st December, 1949, £4,050 has been received, 431 patients have been treated in Hospital for a total period of 11,042 days. The average amount received per patient per week is £2 11s. 4d.

By the amendment of the Contributory Scheme referred to in the last report the Hospital's income amounted to £646 as compared with £250 in 1949—an increase of £396. To this must be added a donation of £427 received from the Knights of St. Columba Ball organised by Council 392, and other small sums of £17 from other Councils making a total of £1,090.

The officials of the Province of Westminster are also actively engaged in securing the registration by the Hospital of covenants for varying amounts.

The Board of Management are most grateful to the Knights for their continued generous support and would especially refer to the organising work of the Provincial Deputy and the past Provincial Deputy Messrs. B. S. Murphy and J. Rainford, the Grand Knight of Council 392 Mr. Hennigan and all the other officials who have worked so hard and so unceasingly to make the various activities on behalf of the Hospital the successes they have proved to be.

The Work of the Hospital.

The average number of beds available was 154.06. The number of patients admitted during the year was 1,945 compared with 1,751 in 1948. The number of operation performed were 1,043 compared with 1,206 in 1948.

In the Massage Department there was a decrease in the number of patients' attendances from 8,190 to 7,075.

In the X-Ray Department the number of diagnostic cases was 3,003 compared with 3,319 in 1948, and the number of deep X-Ray treatments was 488 compared with 507 in 1948.

The number of Pathological Investigations was 2,806 compared with 3,439 in 1948.

Financial Situation.

The financial situation I am glad to be able to report shows a considerable improvement on that of last year.

In 1948 the ordinary expenditure exceeded the ordinary income by no less than £22,623 whereas this year it amounts to £10,170, a reduction of £12,453.

This improvement has been brought about by the efforts which have been made to increase the income which has risen by £13,231 while the expenditure has only gone up by £778.

In addition to the ordinary income we have been most fortunate in receiving legacies amounting to £19,438 and this has enabled us to balance the Income and Expenditure Account and to reduce the debit balance on the General Fund Capital Account by £9,269.

The Hospital is still heavily in debt as a glance at the Balance Sheet will show. Our total indebtedness amounts to £64,563 but against this must be deducted a sum of approximately £7,000, which was due from the Ministry of Health at the end of the year, the claim for which had not been agreed.

Although every effort has been made to reduce expenditure wherever possible and to increase the Income we still need about another £10,000 to balance our accounts as we cannot rely upon anything coming from legacies. I therefore have to appeal once again to the generosity of our supporters to help us to bridge this gap.

Income.

As already mentioned the Income has risen by £13,231, and this is accounted for as follows:

	Increase	Decrease
	£	£
Voluntary Gifts		
Donations and Subscriptions, etc	2,428
Central Funds	200
Receipts from Patients	9,955
Receipts from Public Authorities	600
Invested Property Dividends	40
Sundries	88
	<hr/>	<hr/>
	13,271	40
Increase	13,231
	<hr/>	<hr/>
	£13,271	£13,271
	<hr/>	<hr/>

The increase in the Income from patients is due to the fees of the Private Rooms being increased and also to the fact that the Regional Board pay us practically the full weekly cost of our beds for cases sent in through the Emergency Bed Service and the London Ambulance Service.

Expenditure.

The Expenditure has risen from £78,464 to £79,243 an increase of £778 and this is made up as follows:

				Increase	Decrease
				£	£
Provisions	531	
Surgery and Dispensary		1,397
Domestic		1,330
Salaries and Wages	1,542	
Miscellaneous		104
Administration	266	
Establishment	151	
Finance	1,119	
				<hr/>	<hr/>
				3,609	2,831
Increase		778
				<hr/>	<hr/>
				£3,609	£3,609
				<hr/>	<hr/>

The rise in Expenditure is due chiefly to interest payable on loans, to cost of appeals, and to the increases in Salaries and Wages of the nurses and domestic staff. It should be noted that there has been a considerable fall in expenditure under the headings of Surgery and Dispensary and also Domestic which is a most encouraging sign and shows that every effort is being made to reduce expenditure wherever possible.

Legacies.

The Board keep in grateful remembrance all those who were so good as to remember the Hospital in their Wills, and to all Executors for discretionary bequests a list of which will be found under Legacies Account, on page 18.

Ladies' Association.

As mentioned earlier in the Report the members of the Ladies' Association have surpassed themselves in their desire to help the Hospital. At the Annual General Meeting held in March, Lady Clare King (President) handed me a cheque for £1,843 12s. 0d. and in July, I received another cheque for £1,300 0s. 0d., making a total of £3,143 12s. 0d. This substantial sum was allocated by the generous donors as follows :

(1) £1,196 12s. 0d. for the erection of curtained cubicles in four Wards.

(2) £1,700 0s. 0d. towards the cost of the new X-Ray equipment.

(3) £247 0s. 0d. for the purchase of bed-tables for the Ward patients.

Members of the Needlework Guild have been most faithful in attending the meetings held twice monthly and have been a great help to Matron and the departmental Sisters who have their mending done and wants supplied so cheerfully and efficiently. The

number of garments made was 247. The number of garments mended and marked was not counted.

Donation from His Majesty the King.

The Board record with deep appreciation a gracious donation from His Majesty the King towards the Christmas Entertainment Fund.

Grants and Donations.

The Board wish to place on record their gratitude to the Council of the King Edward's Hospital Fund for a grant of £2,000 towards the Maternity Department, £1,500 towards the new lift, and £1,000 for general purposes; the Ladies' Association (as set out above) £3,143 12s. 0d.; Alexander Rose Day £450; London County Council (Sunday Cinematograph Entertainments) £1,000; Metropolitan Hospital Sunday Fund £750.

The Board of Management have been very touched by the number of donations in kind that we have received during the course of the year from people who want to help "because you are not State controlled." We are most grateful to these generous friends and can assure them that we very much appreciate their help. No gift is too small to be useful; our needs are so many and varied.

May I once more beg all my readers to help to increase the number of our subscribers? Subscribers under Deed of Covenant confer a double benefit on the Hospital—(1) by increasing their gift as shown by the form enclosed; (2) by giving us the sense of security we need in order to be able to develop our work without undue anxiety about finance.

I close this report with an expression of thanks, on behalf of the Board of Management, to the Medical, Surgical, Administrative and Nursing Staffs for the loyal and admirable manner in which they have carried out their duties during the past year.

June, 1950.

*Signed HENRY HOPE,
Chairman.*

N.B.

Although this Report was not signed until June 1950, the position described is as it stood at the end of 1949. There have in fact been changes since then which will be recorded in 1950.
